On page 3, the vendor will be required to enter a list of manufactured or designed products, services provided, industries served, and whether or not they have nuclear supply experience. Additional ASME Code Certification, ISO Certification, QA Manual, 10CFR21, 10CFR50, and NQA1(1994) Compliant information will also be required entry. Upon conclusion of entering required information, click the "Submit" button located in the upper right hand corner of this page.

Registration Confirmation

The image shows a screenshot of the MNES website's registration confirmation page. At the top left is the MNES logo (Mitsubishi Nuclear Energy Systems) and the tagline "YOUR ENERGY. OUR EXPERIENCE." next to a sunflower image. A navigation menu on the left lists sections: OUR COMPANY (with sub-links: History of MHI & Nuclear Power, Our Creed, Company Executives), OUR TECHNOLOGY (with sub-links: History of US-APWR Technology, MHI Plants, Research and Development), OUR PRODUCTS (with sub-links: US-APWR Design, NRC Process), and OUR SERVICES (with sub-links: U.S. Customers, Testimonials). A "Log in to Application" link is in the top right. The main content area features the text "THANK YOU FOR REGISTERING YOUR COMPANY WITH MNES" in large red letters. At the bottom, there are "HOME" and "SITEMAP" links, and a "RELATED LINKS" section with logos for American Nuclear Society, DDC- Global Nuclear Energy Partnership, Nuclear Energy Institute, Nuclear Regulatory Commission, and World Nuclear Association.
